Our Balanced Care Method™ Elevates the Aging Experience

Closely supervised by Client Care Managers, Home Care Assistance caregivers are trained in our exclusive **Balanced Care Method™** with an emphasis on nutrition, physical activity and mental stimulation to enhance your loved one's health, happiness and overall quality of life.

Our **Balanced Care Method** approach to care is based on the studies of some of the longest living people on Earth.

*We help maintain
freedom and a
well-deserved
high quality of life.*

You can trust our caregivers to be the very best. Home Care Assistance caregivers are experienced, rigorously screened and passionate about caring for others. We run thorough background checks on our caregivers, including driving records and employment authorization verification. Our caregivers are bonded, insured and monitored by Client Care Managers who build trusted relationships with families to ensure caregivers are providing the highest caliber of care to their loved ones throughout the length of service.

Relief and support for everyone. Home Care Assistance understands the time and sacrifice of caring for your aging loved one can take a toll on your mental and physical health. With the support of a trustworthy caregiver, we can provide you with peace of mind and your loved one with independence at home. Professional help will improve your overall wellbeing and quality time spent with your loved one.

Home Care Assistance provides the most reputable and compassionate care professionals in the industry. We specialize in hourly and around-the-clock care that enables older adults to continue living independently at home.

Caring for a loved one with dementia is a labor of love that can also be overwhelming. I am deeply grateful to Home Care Assistance not only for the loving, caring, reliable caregivers they provide, but also for the amazing support I get from the entire staff.

-Mary H., Daughter of Client

We specialize in 24 hour care. 24 hour care provides older adults with full-time, around-the-clock care. Clients who are living with dementia or who are homebound due to physical limitations benefit greatly from 24 hour care. Families enjoy peace of mind knowing caregivers are diligently monitoring safety, attending to daily needs and providing compassionate companionship.

Available 24/7. Whether a scheduling conflict or an emergency, we are just a phone call away.
